REBECCA HENDERSON, CPA/ABV

*Supervisor, Forensic & Valuation
Services*

Rebecca Henderson is a Supervisor in the Forensic & Valuation Services (FVS) Department at Sansiveri, Kimball & Co., LLP. Since joining the firm in 2019, she has played a key role in handling complex valuation and forensic accounting engagements, bringing expertise honed through years of experience in litigation support, business valuation, and financial analysis.

A licensed CPA in Georgia with an Accredited in Business Valuation (ABV) designation, Rebecca manages FVS engagements from start to finish—developing strategies, overseeing budgets, and ensuring the quality and consistency of reports. She also helps maintain the firm’s report templates and training materials while collaborating with the Attestation and Tax departments as needed.

Before joining Sansiveri, Rebecca worked at a firm in Atlanta, GA, where she focused on forensic accounting and business valuation projects related to family law, ESOPs, and shareholder litigation. Her experience spans from estate and gift tax valuations to various forensic analyses for litigation support purposes.

Rebecca’s passion for forensic accounting traces back to high school, inspired by her grandmother, a bookkeeper. Determined to turn that passion into a career, she attended Georgia Southern University, one of the first schools to offer forensic accounting programs.

Outside of work, Rebecca enjoys reading, collecting vinyl records, and crafting. She lives in Cranston, RI, with her two cats, Kaz and Uyu. Rebecca is also actively involved in her community, serving as Treasurer and Board Member for Ten Lives Cat Rescue.
