NEIL LABIER, CPA, CCIFP

Manager

Neil joined Sansiveri in 2016 and is currently a Manager in the firm's Assurance Department. As a Manager, Neil is generally the primary point of contact with his clients, not only overseeing the execution and completion of Assurance engagements, including audits, reviews and compilations of financial statements, but also facilitating Tax services as well as meeting with clients on a consultative basis.

As a Certified Public Accountant (CPA) and a Certified Construction Industry Financial Professional (CCIFP), Neil is an expert in U.S. GAAP and financial reporting for a wide variety of industries, however specializes in the Construction & Real Estate and Manufacturing & Distribution industries. Neil consults with clients on job cost structure and overhead rates, cash flow management, financial forecasting and budgeting, internal financial and operational controls, and financial benchmarking with others in the industries. He also serves as a trusted advisor to clients with their banking, legal, and surety relationships.

Neil is a true Rhode Islander; born and raised in South County, a graduate of the University of Rhode Island, and now residing in North Kingstown. In his free time, Neil enjoys staying active and playing golf, fishing and mountain biking.
