

## **KIMBERLY PIKE**

### *Senior Client Account Manager*

Kimberly Pike is a Senior Client Account Manager in Sansiveri's Client Accounting Services (CAS) division, where she provides outsourced bookkeeping and controller services to a diverse range of clients. Since beginning her accounting career in 2019, Kimberly has built a strong reputation for helping businesses bring clarity, organization, and confidence to their financial operations.

Kimberly specializes in controller services, bookkeeping, and QuickBooks consulting and training. She works closely with clients in industries including construction, healthcare, nonprofits, and professional services, helping them better understand their financial information and strengthen internal processes. Known for her problem-solving mindset, Kimberly enjoys untangling complex accounting challenges and using technology to streamline workflows and deliver better results for her clients.

Prior to joining Sansiveri in 2023, Kimberly spent four years working for a small manufacturing company where she

served in a variety of roles including accounting, human resources, purchasing, and operations. She began in an administrative position and quickly advanced to operations manager. Earlier in her career, she worked as an office manager for a home care therapy company for seven years, managing scheduling, billing, and day-to-day operations.

Kimberly attributes much of her professional success to her ability to listen, collaborate, and incorporate feedback from colleagues and clients. She believes in meeting people where they are and building strong working relationships that allow her to serve as a trusted part of her clients' teams.

Originally from Michigan, Kimberly moved to Rhode Island in 2001 when her husband began teaching chemistry at Providence College. She and her husband have six children, two grandchildren, two golden retrievers, and two cats. Outside of work, Kimberly enjoys reading, completing jigsaw puzzles, and spending time with her grandbabies.
