JERICO DAPLAS CASTILLO

Assurance Manager

Jerico Castillo is a dedicated and accomplished professional who serves as a Manager in the Audit Department. Jerico serves clients in the construction, not-for-profit, and employee benefit plan industries. He strives to provide top-tier financial guidance and audit services that empower businesses to thrive and achieve their financial objectives.

Before joining the firm, Jerico gained valuable experience as an Associate Audit Manager at one of the leading professional services firms in the Philippines. In this role, he provided comprehensive audit services to a wide range of businesses. With nearly 5 years of audit experience under his belt, Jerico possesses the expertise and knowledge necessary to excel in the field.

Jerico is a results-driven individual who places a high value on continuous improvement. His dependable and positive mindset makes him an asset to the firm and the clients he works with. His passion for accounting was ignited during high school, and it continues to drive his professional journey.

Beyond his professional accomplishments, Jerico can solve a Rubik's Cube in less than a minute, showcasing his aptitude for problem-solving. In his leisure time, he enjoys watching anime and cherishes quality moments spent with family and friends.
